

Interdependence 101: Understanding and Awareness

Sept 10, 2009

Keystone College

The event is open only to Leadership Lackawanna Participants.

In conjunction with Leadership Lackawanna September's session, an activity on peace has been included in the program curriculum. Leadership participants will first be exposed to the history of IDAY and uniformly recite the declaration. Then, a round-table discussion on the topic of peace will ensure. Finally, each Leadership participant will be asked to write an encouraging, peaceful phrase on a piece of paper and then fold the paper into an origami peace crane. The crane is to then be shared with a friend, family member or co-worker.
